

Dunedin Festival

13th-20th July 2019

Edinburgh Academy Junior School

How can you help?

The Festival runs with the help of our members and friends. July next year may seem like a long way off, but we are already deep into planning.

There are some roles we need to fill now to help with the preparation.

There are other roles which will be relevant nearer the time.

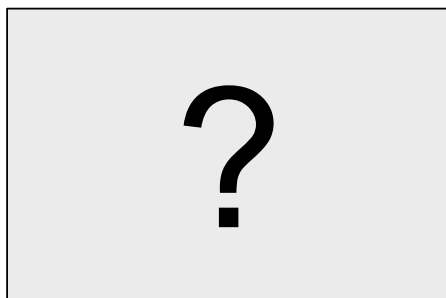

A list of ways you can help are on the back - in particular we welcome volunteers to host the visitors (and it would be useful to have an idea how many we have sooner rather than later).

If you are able to help, or even if you might be able to help, please let us know by filling in the back of this sheet and returning it as described. For more information about any of the roles, please ask any committee member.

Soveldaja, Estonia
