# Precautions and practicalities

Obviously, while the situation has improved, Covid-19 is still with us, so there are various protocols we need to follow. Thank you for your co-operation.

- Masks are not required to dance, but you may choose to wear one.
  - Please consider bringing your own water/drinks as appropriate.
  - Sanitiser will be available to allow you to sanitise your hands regularly.
  - Please also respect any one-way systems, restrictions on the number of people allowed in the toilets simultaneously, and other guidelines or restrictions which the Church has in place.
  - Cribs available from <https://my.strathspey.org/dd/list/42925/>
  - If possible, please pay electronically, either in advance or on the door. Our bank details are

  - Of course, the situation and the guidelines may change. We will have a designated Covid Officer who will have the latest information, so please follow their instructions
- ...and most importantly - while we'd love to see you, if you are not feeling well, or have any Covid-19 symptoms, please stay home and look after yourself**
