Please support the Dunedin Festival

- We are raising funds for our 2027 Dunedin Folk Dance Festival
- It costs in the order of £30,000 to run a Festival, and we have made a loss in recent years
- Our Festival is a great way to exchange with other dance groups and cultures and raise awareness of Dunedin and Scottish dancing in Edinburgh and the local area
- It is also a great way to meet friends made on previous trips, make new friends, and to attract invitations to showcase Scottish dancing at other Festivals around Europe

Please consider rounding up your ticket price with an additional donation to help us afford another Festival in 2027*

Every little helps, whether it's £2, £3, £5, £10 or more

**If we are unable to run a Festival then, your donations will be used to support a Festival in a future year, or other dancing activities promoted by Dunedin Dancers.*
